

FOREWORD

I would like to express my gratitude to God Almighty, for it is through His blessings and grace that I have been able to complete this thesis. This thesis was written in order to fulfill one of the requirements to achieve a Bachelor of Applied Nursing degree at the Malang Bachelor of Applied Nursing Study Program, Nursing Department, Ministry of Health Polytechnic of Health Malang. This thesis was made possible through the guidance, direction, and assistance of various parties, whom the author cannot mention individually. At this opportunity, the author would like to express heartfelt gratitude to:

1. Afnani Toyibah, A.Per.Pen., M.Pd as Director of the Malang Ministry of Health Polytechnic
2. Dr. Erlina Suci Astuti, S.Kep., Ns., M.Kep, as Head of the Nursing Department at Ministry of Health Polytechnic of Health Malang, who provided support and the opportunity to prepare this thesis.
3. Dr. Arief Bachtiar, S.Kep., Ns., M.Kep, as the Head of the Applied Nursing undergraduate Program Malang, Ministry of Health Polytechnic of Health Malang, who has provided support and the opportunity to prepare this thesis.
4. Joko Wiyono S.Kp., M.Kep., Sp.Kom., as the main supervisor who has taken the time to provide support, guidance, and motivation in completing this thesis.
5. Dr. Kissa Bahari, S.Kep., Ns., M.Kep, as the main examiner who was willing to examine the author, provided advice, guidance, direction, and motivation in writing this thesis.
6. Dr. Nurul Pujiastuti, S.Kep., Ns., M.Kes, as the second examiner who has kindly agreed to examine the author, provided advice, guidance, direction, and motivation in the preparation of this thesis.
7. Mrs. Riris Wedari, as coordinator of the *Posyandu RW 10 Madyopuro* Village, who gave permission, assistance, and support so that this research could be carried out properly.
8. My beloved parents, Sutrisno and Djulaika, who always prayed for me and gave me encouragement and support during the writing of this thesis.
9. My beloved friends, Ismi Malikkan Isnaini, Izza Azainda Zuhri, and Shierly Putri Afrillia, who provided encouragement and motivation to complete this thesis.
10. My self, Monicka Patrisia Tilana, who has struggled and persevered thus far in completing my four years studies at the Ministry of Health Polytechnic of Health Malang.

Finally, I hope that God Almighty will reward all those who have helped me for their kindness. May this final project contribute to the advancement of science.
